[www.texsbbqexpress.com](http://www.texsbbqexpress.com)

Dear Frank,

This note is to thank you, once again, for the services rendered by Tex's BBQ Express on Saturday, August 26 at 123 Pecunit Street in Canton, Mass.

I appreciated the punctuality, professionalism and experience demonstrated by Tom and the presentation of the set up, including the tent. It was clear that your company has an extensive experience and know-how on the field of catering. We were all very pleased with the friendly service and the excellent quality of the food – from meal to dessert.

All my guests graded Tex's BBQ Express a "10" for food and service, what made me extremely pleased! I can't wait for the next opportunity to hire you back! (My friends also took your phone number for future events).

I would like to specially commend you for Tom. His skills on the grille, his rapport with the guests, his politeness and friendliness are unmatched. Congratulations.

Once again, thank you very much! You made my party a success!

Best Regards,

*Carl*
