Re: Boston Brace International BBQ lunch- July 13, 2006

Dear Mr. Hall,

On behalf of Boston Brace, I would like to thank you for a wonderful BBQ luncheon. Being first time customers of Tex's BBQ Express, we were very impressed. The food was delicious and the service was wonderful. Ben and his crew were very professional and friendly. Despite the poor weather conditions, Tex's BBQ Express made our luncheon a success! Please extend our gratitude and best regards to your staff and know that we look forward to other luncheons with you in the future.

Sincerely,

Jody A. Miller
