Re: AliMed Company Lunch Barbecues 2007

Dear John:

On behalf of the President of AliMed and the entire staff of the company, I would like to extend a sincere thank you for all your efforts in making our company barbecues this past summer a great success.

All of our employees that attended the barbecue lunch thoroughly enjoyed not only the food ,but especially the great service provided.

Lee, and all the staff you provided are always so pleasant and extremely accommodating. I am including a great picture of the crew and hope you'll share it with the staff.

Once again, thank you for exceeding our expectations and we look forward to future barbecues summer 2008.

Sincerely,

Karen Orlandi
Human Resources Manager
