

the area so neat, the only  
evidence that you were here  
and cooked for 50 people are  
the juice drops my dog can  
smell on the driveway!

I hope to have another  
event to use your service, and  
I will continue to recommend  
you to friends for their  
parties.

Thanks again for helping  
to make our day extra special.

Sincerely,  
Lisa Tullis
