

The Staff at Tex's BBQ Express,  
& Tom:

I just wanted to say a mighty  
Thank you!

All of my friends thought I was  
crazy, and I was starting to believe  
them, when I told them I found you  
guys on the internet! I booked  
your company and sent in my deposit  
even without tasting a sample.

All my guests were very pleasantly  
surprised at how good the food  
was, and there was so much food!

Our wedding/barbecue was a smash  
hit! The crew was great as well!  
Fantastic job! We'll be back when  
we need a great barbecue!
