Dear MR HALL,

LAST SATURDAY evening (20th)
I used your catering services for
A graduation party for 2 granddaughters.

The food and the manner in which
it was served was exceptional. The
two young men were professional and
a delight to have involved with
the party.

I have mentioned your outfit
to many people and definitely look
forward to contacting Tee's BBQ again.

Thank you so much in helping
to make the party a huge success.

Sincerely

Anne Kimball
